Japine, T. Perkins, S. Koon, S. Pines, R. Tapp, J. Reeves.

ICRN

A merger this year united former stud stations WOCT and WHYC into the more efficient and artistic Inter College Radio Network. Clarkson and State now receive two distinct current AM stations programming a wide variety of music, news, sports and information. I.C.R.N. opened a new studio, specifically for news broadcasting at the Lewis House.
